On October 14th 2009, at approximately. 1030hrs Detective Diskin requested that I remove the battery from the Lap Top, Item #203 already in Y.C.S.O Evidence in Camp Verde AZ. On this same date at approximately. 1040hrs, I opened item #203 and removed the battery from the Lap Top Computer. I placed the battery inside the black computer bag along with the Lap Top and re-sealed the evidence.

On October 19th 2009 at 1354hrs, myself and Evidence Supervisor Josh Nelson attended the autopsy of Lizebeth Neuman at the Medical Examiners Office in Flagstaff AZ. The following personnel performed the autopsy, Archiaus Mosley MD, Regina Sotelo, Jessica Lurkins and Amy Kelly. At the conclusion of the examination, I was provided a set of fingerprints, palm prints and a c.d containing photos of the autopsy. I later placed these items into Y.C.S.O Evidence in Camp Verde AZ.

Nothing further.
